BY ACCESSING OR USING OUR WEBSITE, YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTAND, AND AGREE TO BE BOUND TO ALL THE TERMS OF THIS PRIVACY POLICY AND OUR WEBSITE TERMS OF USE. IF YOU DO NOT AGREE TO THESE TERMS, EXIT THIS PAGE AND DO NOT ACCESS OR USE THE WEBSITE.

1. Types of Information Collected

We collect two types of information about our Website Users: Personally Identifiable Information and Non-Personally Identifiable Information.

Personally Identifiable Information. Personally Identifiable Information is information that identifies a specific End User. When you engage in certain activities on the Website, such as creating an account, booking a hotel room with us, submitting content and/or posting content, filling out a survey, posting a review, sending us feedback, requesting information about our services, or signing up for special offers through the Website we may ask you to provide certain information about yourself. If you elect to engage in these activities we may ask you to provide us with certain personal information about yourself, including but not limited to your first and last name, mailing address (including zip code), email address, telephone number and date of birth. If you reserve a hotel room, we may also ask you to provide us with your credit card number, expiration date and authentication codes or related information. Depending on the activity, some of the information we ask you to provide is identified as mandatory and some is identified as voluntary. If you do not provide the mandatory information for a particular activity that requires it, you will not be permitted to engage in that activity.

Non-Personally Identifiable Information. Non-Personally Identifiable Information is information that does not identify a specific End User. This type of information may include things like the Uniform Resource Locator (“URL”) of the website you visited before coming to our Website, the URL of the website you visit after leaving our Website, the type of browser you are using and your Internet Protocol (“IP”) address. We, and/or our authorized Third Party Service Providers and Advertisers, may automatically collect this information when you visit our Website through the use of electronic tools like Cookies and Web beacons or Pixel tags.

2. Use of Data

Personally Identifiable Information. We use Personally Identifiable Information to provide services to you, enhance the operation of the Website, improve our marketing and promotional efforts, analyze Website use, improve our product and service offerings, and to tailor your experience with third parties as provided in Item 3 of this Privacy Policy. For example, if you send our customer service an email we may use your comments and feedback to tell others about our services, and may post your comment in our marketing materials or on our Website. Your comments may contain personal information such as your name, we will obtain consent from you to post your name along with your comment prior to posting your comment for public view. In addition, if you use our Website to send information to another person, we may store your personal information. We may also use Personally Identifiable Information to troubleshoot, resolve disputes, accomplish administrative tasks, contact you, enforce our agreements with you, including our Website Terms of Use and this Privacy Policy, comply with applicable law, and cooperate with law enforcement activities.

Non-Personally Identifiable Information. We use Non-Personally Identifiable Information to troubleshoot, administer the Website, analyze trends, gather demographic information, comply with applicable law, and cooperate with law enforcement activities. We may also share this information with our authorized Third Party Service Providers and Advertisers to measure the overall effectiveness of our online advertising, content, and programming.

3. Release of Personally Identifiable Information

We will not share, sell, rent, or trade your Personally Identifiable Information with other parties except as provided below:

We may share your information with Authorized Third Party Service Providers. We provide services and products through third parties. These “Third Party Service Providers” perform functions on our behalf, like hosting and managing the Website and sending out and distributing our administrative and promotional emails. The use of your Personally Identifiable Information by such parties is governed by the privacy policies of such parties and is not subject to our control.

We may share your information in a Business Transfer. As with any other business, we could merge with, or be acquired by another company. If this occurs, the successor company would acquire the information we maintain, including Personally Identifiable Information. However, Personally Identifiable Information would remain subject to this Privacy Policy.

We may share your information for our Protection and the Protection of Others. We reserve the right to disclose your Personally Identifiable Information as required by law and when we believe that disclosure is necessary to protect our rights and/or comply with a judicial proceeding, court order, or legal process served on our Website; enforce or apply this Privacy Policy, our Website Terms of Use or other agreements; or protect the rights, property or safety of the Website, its Users or others.

5. User Choices on Collection and Use of Information

As discussed above, you can always choose not to provide information, although it may be required to engage in a certain activity on the Website. We may send you promotional emails which advertise our products and services, including exclusive sales and other offers, and/or the products and services of our advertisers and affiliates. If you do not want to receive promotional emails from us, you may elect to opt-out of receiving promotional emails at any time after registering by hitting the “unsubscribe” button at the bottom of any of our e-mails.

6. Changing or Removing Information.

We currently do not have a method for completely deleting user information from our database. However, deleting the cookie stored on your computer will cause you to be perceived as a new user with no known user data. You may also change a setting in your browser, instructing it not to accept cookies, but this could prevent you from receiving some Hotel services.

7. Security of Information

We take security seriously and take numerous precautions to protect the security of Personally Identifiable Information. You can access your Personally Identifiable Information on our Website through a password and your email address. This password is encrypted. We recommend that you do not share your password with anyone.
